Together

Eutychus is a name that appears only one time in the New Testament. On occasion someone will write an article or column using *Eutychus* as a pseudonym to hide their own identity. Even when we know the writer, it allows enough anonymity to say what might not be said otherwise.

Why *Eutychus*? I think we like him because he fell asleep while the great Apostle Paul was preaching. Acts 20:9. Yes, we know the setting. It was mid-night, way past everyone's bedtime. Many lamps were burning to provide light, but were using up the oxygen in the process. Paul was full of his message and being long winded as he preached on and on. But, who knows when the message is important and the speaker is giving important information that needs to be learned.

We relate to Eutychus because he was present to hear Paul preach, but supposedly so unimpressed that he drifted off to sleep. (Okay, maybe he knew, but was exhausted by working in the kingdom.) Nevertheless, it was a great moment and he fell asleep.

Has it ever happened to you? It was a big moment and you missed it! Perhaps it was family or about work or even about your spiritual service to the Lord Jesus Christ. You missed an opportunity and even looked foolish in doing it. Yeah, I relate to Eutychus!

Even so, look what happened. He was not just dead in the water, he was dead! But, he was healed and given a new opportunity to serve Jesus. We, too, get to start over. Did anyone recall what Paul preached about? But, Eutychus was a walking sermon in every place he went. We are also. Go and live your new life for Jesus.

Speaker - Charles Clodfelter

Sermon Topic - Learn Bible without exploding your brain

Scripture - II Timothy 2:15

What an awesome Sunday we had on our 1st year anniversary at the Northeast reach out effort. I want to take the time to thank and praise the team for keeping with the dream and thanks Eastwood for your prayers and encouragement. Mr. Lonnie Tapscott was our guest speaker and he did a wonderful job. The attendance was 114 with many kids and youth.

The sweetest part of having this event is the blessing to worship with my brothers and sisters, plus the connections that are made with the visitors. Now the good part is the follow-up, and then allow God to do the adding.

Let's start planning for our, Friends Day, here in Eastwood. Is 500 in attendance an impossible goal to reach? I really don't think so, but this means we get serious and plan things out collectively and individual, and really pray. Now lets Do it! Paul

February 2 - Ana Soto
 February 3 - Steve Delgado, Sr.
