Together

Holy Father in heaven, we are in awe of your majesty and power. You are beautiful in righteousness and loving in your gifts to humankind. Mankind cannot comprehend the greatness of your essence. Our mental imagery is strained to conceive that you created our world - our universe with your thoughts. In the vastness of this universe is mankind, made in your image, a humanity that is given dominion over creation. This world is ours to use to your glory. Help us.

All mighty LORD, we of this earth who believe in you, do not arrogantly claim to completely understand the totality of the divine. Through your inspired Word, we humble ourselves before the oneness of the Father, Son and Holy Spirit. We want to serve you in the same love and holiness that directs your actions. Help us.

LORD, we ask you to help your followers to have the same unity in your kingdom as exists in the Godhead. Help us to know that our personal desires are secondary to our holy calling. Help us to subdue the desire for power, greed for wealth and selfish arrogance. Precious savior, in our fight against sin, we can become our worst enemy. Help us. Give us opportunities to develop kindness, love, compassion and all the fruits of the Spirit.

Holy LORD, you know the failings of all mankind and of your disciples. You have revealed in your Word the sins of those who had faith. Of Diotrephes, who loved to be first among the brethren. It is hard for us to see our own shortcomings and the harm brought to the body of Christ by our self-centered conduct. Help us.

Thank you for the blessings we enjoy in your creation. Thank you for our family and friends. Thank you for salvation that is offered to all mankind through the death of Jesus. Thank you for the forgiveness we continually receive, since we were first born again into your family.

In the holy name of our savior. Amen.

SHARING BROWNIES

A little boy was in a heated argument with his sister about who was going to get the last brownie. His mother overheard the loud discussion in their kitchen and came in to resolve the conflict. Her two children were obviously very distraught about getting that final treat. Sensing the need to teach a deeper truth, the mom asked her children that ever-relevant question: "What would Jesus do?"

The older sibling immediately answered, "That's easy; Jesus would just break the brownie and make five thousand more!" —ministry127.com.

"Rejoice" Philippians 4:4

Taken from House to House

Nothing New Under the Sun

Generational tension is not a phenomenon which erupted in our century. It is as old as the trouble Adam and Eve had with their two boys (Genesis 4). For example, when did this conversation occur?

An angry father asks his teenage son, "Where did you go?"

The boy, trying to sneak home late at night, answers, "Nowhere."

"Grow up," the father chides him. "Stop hanging around the public squares and wandering up and down the street. Go to school. Night and day you torture me. Night and day you waste your time having fun."

Was that sharp rebuke administered last night by an irate dad to a defiant juvenile? No, it comes from Sumerian clay tablets 4,000 years old. —Dr. Vernon Grounds, *Homemade*
