# Together

Hear, O Israel: The LORD our God, the LORD is one. You shall love the LORD your God with all your heart and with all your soul and with all your might. Deut 6:4-5  
ESV

The obvious meaning of this verse is the expected total commitment to YHWH. Our choice to serve our LORD God is not to be a half-hearted servant. We are not, cannot be part-time Christians. We are either His disciples or we are not.

Yet, we see it all the time in those who claim an allegiance to Christ, but their lives say otherwise. This is not about the fact that those who *walk in the light* will sin, 1 Jo 1:6-10. It is about those who act like Christians, when it convenient for their purpose. Their claim of dedication to God is for their own narcissistic advantage. It is an effort to treat Jesus as a parachute or life vest. "I will be a Christian, when there is a benefit for me."

Often their duplicity is so well played, it is not obvious to those around them, but, God knows. Jesus see the hypocrites before anyone else. He sees it in their daily life, he sees it in their relationship with family and he sees it in how friends and neighbors are treated. Loving totality is not to spend a short time acting nice, then spending the rest of your time indulging yourself.

*Heart, soul, might* represents the mind, emotion, strength or the energy of life. Mankind's reason for living is to serve the Lord. One may have their dream job or the best retirement, or the greatest family and they understand the vigor it brings. So to does the commitment to Jesus bring purpose and the reason to live.

The text is an admonition, a reminder to those who already know how they should live their life. It is like a coach who says to the athletes: "we have practiced and worked hard for this time, you know what to do. Now, go out there and do it! Show them who you are!"

Give Jesus your all!
