Together

The potluck was great. The food was wonderful, as usual and the time we shared in fellowship was better. My thanks to everyone who worked to make this event happen.

Our ladies receive most of the credit for the excellent dishes they prepare. A big thank you to each one who provided a dish or dishes. Also, a thank you to those who prepared the room by setting up and to those who participated in the clean up afterwards

Our fifth Sunday lunches are a reflection of what life is like for a church family. Everyone doing their part and using their talents to create a successful event. If you missed this opportunity to take part, make plans to be in the next one. Even a single guy or gal can pick up a dish from the grocery store and join the fellowship.

Fellowship and communion are about being one with one another. We are supportive of others. We know each other. It is vital that we know and are known by others in the church family. It is the personal duty of each disciple to make friends in the family.

It is a mistake to say "everyone at church is my friend," when we barely recognize their faces. Make a friend! If a child entered a new school and came home with the complaint, "I don't have any friends." What would you tell them - make some!

They need you. There are lonely people, who do not feel they belong because no one knows their name or speaks to them beyond, "hello." It is the duty of each disciple to get to know others in the congregation. We make friends by being a friend, be a friend to another.

Sermon Topic - Talking Marriage from Good to Great #2, True Intimacy

Scripture - Luke 11:16

Paul's Peppery Notes

Jesus Christ is Lord, whether or not we acknowledge Him as Lord. An important question to ask yourself is: Is Jesus Christ Lord of your life? Do people know by your conduct that your life centers around the person of Jesus Christ? Are you aware that your allegiance and loyalty are not to a company or personality but to Jesus Christ? Do you possess the attitude of a servant, rendering your devotion, time and labor to the master? The New Testament Greek word for Lord is "Kurios", which implies, "One who rules over the life of another for their gain and good." That is exactly who Jesus is: the Divine One, who reigns over all of life according to His goodness, for our good and His glory.

So again, the question is not whether or not Christ is Lord. He is. The issue is whether or not we submit to His rule in our lives. Are we rebelling against His royal claim on our lives, or are we bending our wills to His reign? Paul

Christian Schools of El Paso Fall Festival

The CSEP Fall Festival is back!

This year it will be on
Saturday, October 26, 2013
from 3:00 p.m. to 8:00 p.m.

Eastwood has been so supportive in years past.

We are earnestly asking for your help again this year.

There are sign-up lists on the table at the back of the auditorium.

Please take a look and see where your can help.

The big areas we need help in are prize toys, cakewalk cakes (store bought only, please), volunteers, and especially candy.

We will of course accept a monetary donation, if that is more convenient for you.

We are trying something new this year.

We are looking for food vendors and craft/product vendors.

Food vendors will pay \$50 for a space outside and will keep all their proceeds for the evening.

Craft/product vendors can reserve a place inside for \$20.

Please pray for this event and help us make it a wonderful time the children will remember!
