Together

Compassion toward our fellow man is a core of Christian thought!

Jesus taught his disciples: *love your neighbor as yourself* and *do unto others as you would have them do unto you*.

May I suggest the basic reason for doing this is because it is God-like. Love that has no bounds and no end. Love that cares for others, when they have given up on themselves. It is a love that is heaven like, where all care for one another.

Also, this approach will make the cause of Christianity attractive to a world that is lost in hate, selfishness and sin. A pure form of evangelism.

How do we practice this idea? First, to those immediately around us and closest to us. Family, friends and neighbors. We gradually increase the circle so it is seen as genuine. It is foolishness to claim we care about the far corners of the world when we hold those nearest to us in disrespect.

On the other hand, you may have heard the term, "random acts of kindness." This is kindness which is unexpected due to the lack of a link between you and the recipient. I offer you the opportunity for a random act.

Here is the address to a military hospital where injured military personnel are being treated. You may send a card or note that will be given to a patient. Be encouraging and kind in your words. Lift up the name and spirit of Christ. Don't preach, but let them know they are loved.

Paul's Peppery Notes

Wow, how fast time flies! I wonder, is it because I'm getting older? Or as some say because time flies when you are having a good time? I will go for the latter. We are having a blast. School (IBI) has started and we have 87 students attending both the morning and evening classes. Our English teachers this quarter are Marisela Gonzales, Margaret Lee, Sammy Franco, C.C. Avery, Jose (a volunteer from community) Alejandra Martinez and myself. The computer teacher is Gloria Castro and the citizenship teachers are Mrs. Teri Dove and Janet Hale and Mr. Fernie Hernandez.

We have an awesome opportunity to influence our community and let them know who Jesus is and what he's about. Pray for this ministry, that the Lord will continue to open doors.

We will be having a picnic this Saturday at Tobin Park in the Northeast between Fred Wilson and Hondo Pass on Railroad. Our invitation is for the Eastside students and the Northside students, and yes, of course YOU. How else are we going to win them over? See you at 12:00a.m. Bring your own lawn chairs and big smiles. The excitement continues. Paul
