Together

Praise the LORD, all you nations; extol him, all you peoples. For great is his love toward us, and the faithfulness of the LORD endures forever. Praise the LORD. Psa 117

We should constantly remind ourselves of the greatness of God. He is the creator of all we behold and even what we cannot see or understand. Mankind has made discoveries throughout the history of the world, but the newly “discovered” was already there, created by God. Just as a child discovers a “roly-poly” in the flower bed, it was there before. But, it is up to us to make the discovery.

The love of God is even greater than the universe he has created. All were made for the benefit of mankind. It is a way of expressing the love God has for us. It is like the largest slice of cake or the extra scoop of ice cream. It is beyond our ability to grasp the love he has toward us. Does your child, or parent or spouse know of the depth of your love. Do you know theirs.

The love of God includes the sacrifice of Jesus. Something we can understand. He gave us a gift that we can begin to understand. The universe is ours, but in case you don't get it - he gave his son.

God is faithful. He keeps his promises. He does not need to swear because there is nothing greater or more powerful that will force him to keep his word. Faithfulness is more about our weakness than his. He will always love us and do what is best for us. He wants life on this earth to be great and our life after this earth to be better.

He will stick with us to the end. Unlike man, God's love is not fickle. He will not leave us for something better or younger or richer or with better promise. He loves us and will be faithful forever. Be comfortable in the love of God.

Thank You

Dear Eastwood,

Here is the latest on Cactus...Cactus has started a new treatment called Optune, which is the newest treatment they have for his type of cancer. He is also going to undergo chemo sessions five days a month for 6 months total. He finished his first one last week. He also had an MRI done last week and hope to get results this week. Other than he being very weak, we're all doing very well. Thank you again for all of your support and prayers.

In Christian love, Cactus, Jenny, and Helen Moore

God's conversation hearts

Those familiar conversation hearts that show up every February can be more than just trite romantic or friendly sayings. Use them to remind you — or to teach a child — of the greatest love of all: God's love for us, which empowers our love for others.

For example:

- TRUE LOVE: What love is truer than giving up one's only Son so people might have everlasting life? (John 3:16).
- MINE: Jesus knows us intimately, as a shepherd knows his sheep. No one can snatch us from him (John 10:27-29).
- FOREVER: God loves us with an "everlasting love" (Jeremiah 31:3).
- LOVE ME: The greatest commandment is to love God with our whole being (Luke 10:27).
- TRUST ME: "Let not your hearts be troubled." We can count on Jesus, now and for eternal life (John 14:1-3).
- SWEET TALK: God's words are sweeter than honey (Psalm 119:103).
- BE GOOD: We show our love for Christ by keeping his commands (John 14:15).
- CALL ME: God longs to be in fellowship with us. We can talk to him anytime in prayer (Jeremiah 33:3).
- FRIENDS: The greatest love involves laying down your life for your friends (John 15:13) - precisely what Jesus did.
- #1: "We love because [God] first loved us" (1 John 4:19).
