Again, a BIG THANK YOU to everyone who helped with the Tabernacle Exhibit! You worked hard and were dependable. You are responsible for the success we achieved. It is not possible to know how the fruit of your work will develop. Thank you to each and everyone who put their faith to work and paid the price to get the job done. Well Done!

Continue to pray for those who came to see the exhibit. Their interest in things that are Bible related may prove to be the way we can develop a relationship and bring them closer to the Lord Jesus.

The parable of the Sower, teaches us to be busy telling the world about Jesus and not be discouraged because of those who fail to do the will of the Father. We will continue to show the love of Jesus and rejoice when any come to a relationship with Jesus. We must busy ourselves with the opportunities to build relationships between us and the lost. I say again, thank you for your good work in being helpful to those who came, being kind and showing acceptance to those who attended.

Teaching material was given to those who attended and now efforts will be made to follow up with all those who registered. Emails and US Mail will be used to try and develop a relationship with those who have additional interest in Bible study and growing closer to Jesus Christ. Please pray for these efforts and for their hearts to be receptive.

The next public opportunity to connect with our community is only two weeks away, Mother's Day. Each of us is encouraged to invite young mother's to come to worship, where they will be honored for the role they have in rearing the family. Look for those who would be receptive to your invitation, do not have a church affiliation and invite them with their family to join you.

The words of Paul to Philemon (6).
"I pray that you may be active in sharing your faith, so that you will have a full understanding of every good thing we have in Christ. Your love has given me great joy and encouragement, because you, brother, have refreshed the hearts of the saints."

Again, I thank everyone who took an active role in this big effort to reach out to those in our community.

THOUGHT CONTROL

Be careful what you think, because your thoughts run your life. — Proverbs 4:23

Dale Carnegie, Napoleon Hill, Clement Stone, and Norman Vincent Peale didn't originate the genre of Thought Control. Predating those notables by centuries, Solomon personified Wisdom as saying, "Be careful what you think, because your thoughts run your life" (Prv 4:23 NCV). Or, as the King James had it, "As [a man] thinketh in his heart, so is he" (Prv 23:7).

How you think is the thermostat that regulates how you feel and what you accomplish. And you're the

one who sets the thermostat. Negative or Positive: your choice. Those private mind-speeches you entertain determine how your day—and your life—goes.

On a scale of 1 to 10 (from negative to positive) how would you grade your attitude?

Help is available. Give these six words a try: "Lord God, work on my attitude."

The exhibit of the life size tabernacle from the time of Moses was a success because of the help given by you. Most of you went the second mile and several went a third and fourth mile. Thank you, Thank you.

The guests who came were impressed with the exhibit and appreciative to you for bringing it here. This is a way we reach out to others and it would have not been possible without your help. You made it happen.

In the Old Testament, fire often symbolizes the presence of God's Spirit. For example, God called to Moses from a burning bush (Exodus 3:2-6) and defeated the prophets of Baal on Mount Carmel (1 Kings 18:30-39). In the New Testament, tongues of fire rested atop the believers gathered on Pentecost (Acts 2:3).

Some Christians have described a burning or current-like sensation when they encounter God. Methodism founder John Wesley said his heart was "strangely warmed" during worship. After such an encounter, people often feel compelled to share the Good News of Jesus. The flame of faith inside one believer can spark a revival of faith in others. As Charles Spurgeon said, "A burning heart will soon find for itself a flaming tongue."

What forgiveness is — and is not
 Forgiveness does not mean ignoring what has been done or putting a false label on an evil act. It means, rather, that the evil act no longer remains as a barrier to the relationship. Forgiveness is a catalyst creating the atmosphere necessary for a fresh start and a new beginning. It is the lifting of a burden or the canceling of a debt.

—Martin Luther King Jr.
