# Together

Thursday is set up day for the **Tabernacle Experience**. Please be here before 9:00 am to help. Pray for those who volunteered to be involved in this effort to touch our fellow citizens. If you have been waiting to see if your help is needed, the time has come to step up.

If you miss this opportunity, you will be saying later that you regret not taking part in this activity. There is not a lot of heavy labor involved, it is about being friendly to others and keeping things organized. Your help is needed. Your prayers are needed. Right now, say a prayer for the success of this effort to connect with our community.

*Shout for joy to the LORD, all the earth. Serve the LORD with gladness; come before him with joyful songs. Know that the LORD is God. It is he who made us, and we are his; we are his people, the sheep of his pasture. Enter his gates with thanksgiving and his courts with praise; give thanks to him and praise his. For the LORD is good and his love endures forever; his faithfulness continues through all generations. Psalm 100*

It is with much gratitude that we give thanks to our holy creator for our salvation and the many blessing we receive while on this earth. Our hearts are filled with joy and anticipation for our heavenly home with him. "Thank you, Lord for loving me" is a song for every person to sing. But, some do not know of the love of the Lord God and it is our place to share the Good News. Let us give our best to tell others about Jesus.

Everyone of us are at this place in our life as Christians because of someone in our past. Someone shared the Gospel with you, but first someone taught them, before that..... All the way back to Acts chapter two. Each of us has a spiritual genealogy. You are also in the spiritual genealogy of others. In some you had a greater role than others, but you are there in someway. Who knows how many you may yet influence to follow Jesus and be saved from their sins.

From the time you sang, "This little light of mine, I'm gonna let shine," to the teaching of the Gospel by answering simple questions, to the proclamation of the resurrection, you have brought others to Jesus. Let us continue to do the good work of Jesus.

## Sunday Morning Sermon

Speaker - Charles Clodfelter

Sermon: What it means to Believe in Christ

Scripture: Heb 11:1-6

# PRAYER FOR OUR WORLD

News that is reported via the newspaper, radio, television, internet is almost always negative. Perhaps, the initial shock is that something bad happened, but it is usually forgotten because it is crowded out of ones memory by the next report of bad news. It's not that there is no longer any compassion by the child of God, but there is so much trouble in the world.

It has been over 20 years since the great loss of life on September 11, 2001, but do you think there is not still suffering and struggle going in those who lost loved ones and those who were permanently injured? More recently there is concern for those in Ukraine, especially for fellow disciples who are enduring the war. Israel was attacked and there was loss of life and hostages taken, which is still going on. A ship de-

stroyed a major bridge in Baltimore, with a loss of at least 8 lives. Thousands will be unable to cross the river for work or other vital issues for months. An earthquake of 7.5 magnitude happened in Taiwan with many dead and injured. Lives will be disrupted for many months as recovery and reconstruction take place. Disciples should pray for those who are struggling and suffering in this world.

HOWEVER, the greatest need in this troubled world is the need for Jesus. If there is compassion for the survivors, the injured and total disruption of life, what about their souls? Pray for the Lost! Pray for those throughout the world, the lost in El Paso and those next door! Pray and Pray diligently.
